## Web Developer

Shonir Akhra, Dhaka | www.jaberdevhub.com | 01533456483

### SUMMARY

Passionate Web Developer with 1 year of hands-on experience in building responsive, user-friendly websites and web applications. Skilled in HTML, CSS, JavaScript, React.js, and basic Node.js backend development. Experienced in delivering projects ranging from portfolio sites to full-stack applications, with a focus on clean code and modern web technologies.

### PROFESSIONAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React, Bootstrap, Tailwind CSS

Backend: Firebase (Auth, Firestore, Hosting), MongoDB, Node.js (basic)

Tools & Others: Git/GitHub, REST APIs, Postman, Netlify, Vercel

### PROFESSIONAL EXPERIENCE

#### Revupsound.com

Mar 2025 - Sept 2025

- Worked on front-end design tasks including UI layouts, card components, and responsive elements for revupsound.com.
- Contributed to improving user experience through clean and modern design implementation.

### PROJECTS

#### CineFlow - Movie Streaming Subscription

- Secure User Management: Login, registration, profile updates, and password reset via Firebase Authentication.
- Protected Access & Navigation: Private routing to safeguard user-specific pages and subscriptions.
- Subscription & Reviews: View category details (info, price, reviews) and allow users to write/read reviews for each subscription box.

#### Help-Hive - Social Development Events Platform

- Event Management & Discovery: Users can create, view, update, delete, and search events by category.
- Secure Authentication: Registration and login with email/password or social media accounts.
- My & Upcoming Events: View events the user has created or joined, along with all upcoming events.

#### GrapeTask - Freelance Task Marketplace

- Secure Authentication: Login with Email/Password or Google via Firebase.
- Task Management: Add, browse, and view tasks with full details.
- Bidding System: Freelancers can bid on others' tasks; owners manage bids easily.
- Protected Routes & Alerts: Authenticated users only, with Toast/SweetAlert feedback.

### EDUCATION

#### Bachelor of Business Administration(BBA)

2021 -

- Department of Management
